## NOTES:

- 1) Brothers and sisters will be placed on the same team if they are in the same division (DIV 1: Grades 1-3; DIV 2: Grades 4-6).
- 2) **Special requests for team assignments may be honored, but cannot be guaranteed. We strive to balance teams based on skill-level, age, girl / boy blend, home school and other geographic considerations.**
- 3) Your child(ren)s attendance at practices and games is important and we need parents' commitment to get them there. **Their development and that of their entire team depends heavily on their attendance and active participation.**
- 4) Multi-League is solely a **volunteer run** organization. This allows us to keep our registration fees lower than other leagues in the area and enables us to provide opportunities for everyone who wants to play. In order for the events and games to run smoothly, we require that every family participating contribute their time in some way to help support the league. We have several ways you can help. **Please indicate below or during on line registration how you will help this year. If you do not have the time or willingness to volunteer, we require a volunteer opt-out fee of \$50 per child to be added to your registration fees.**
